La Bière d'Ayas

Water from our mountains, part of barley grown in Lignod at an altitude of 1800 m, part of hops grown in Champoluc at an altitude of 1600 m, the passion and knowledge of a master brewer, Michel Becquet, in love with a territory that he calls home: these are the only ingredients of "The Bière d'Ayas", a beer that does not know the flat territory and that we offer to you in combination with our pizzas.

Draft Beers

0,20cl €4,50
0,40cl € 8.00

Bitter

Light Lager Beer With High Fermentation (4,5 % Vol)

Champoluc I.P.A.

Light Amber Beer with High Fermentation (5,4 % Vol)

Lignod Roggenbier

Red Beer With High Fermentation (6,2 % Vol)

Bottled Beers

€ 8.00

Ayas Pale Ale *Lager Beer with high Fermentation 33cl (5,4% Vol)*

Mittlefruh, Tettnanger germans hops are used to make this smooth Pale ale with very aromatic malt.

Champoluc I.P.A. *Light Amber Beer with high Fermentation 33 cl (5,4% Vol)*

Cascade hops. Notes of citrus, with the smoothness of Simcoe adding floral and slightly spicy aromas, while Columbus, with its high alpha acid content, provides a long-lasting bitterness.

Lignod Roggenbier *Red Beer with high Fermentation 33 cl (6,2% Vol)*

Our local grown Rye leave spicy and toasted bread notes, while the barley smooth the taste of it.

Cuneaz Russian Imperial Stout *Stout Beer with high Fermentation 33 cl (8,0% Vol)*

The presence of American hops, along with malt and barley grown in our fields, gives it a pleasant bitterness and roundness. Notes of coffee, licorice, and dark chocolate come from the roasted barley.

Antagnod A.P.A. *Light Amber Beer with high Fermentation 33cl (5,1% Vol)*

Columbus and Cascade hops release very good floreal notes while Tettnanger hop balance the smoothness of it. Refreshing with a delicate bitterness.

Our Wines

Reds

Petit Rouge Vigne Plan, Didier Gerbelle

€ 36.00

It is the most cultivated native vine in the Aosta Valley. The vineyard is made up of various 100% Petit Rouge grapes and is located in a hilly area in Villeneuve, at an altitude of 670 m. Once harvested, the grapes are pressed and left to macerate for 12-15 days in steel containers where the fermentation will take place. Following racking, the wines were aged for 12 months in French oak barrels. With a lively red color, it has aromas of wild rose and red fruits; dry and full-bodied.

Peque-Na, Didier Gerbelle

€ 32.00

From the dialect: "Why not?", the vine is Cornalin 70%, Petit Rouge and Premetta 15% dried grapes on which the former referment. It is located between Aymavilles and Villeneuve at an altitude ranging from 640 to 670 m. Once harvested, the grapes are pressed and left to macerate for 12-15 days in steel containers where the fermentation will take place. Following racking, the wine ages for 12 months in Slavonian oak barrels. Soft in the mouth, with hints of flowers, small red fruits and spices.

L'Ainé, Didier Gerbelle

€ 45.00

In dialect "First Born", dedicated precisely to his son, the vine is 100% Neret grapes, an autochthonous Aosta Valley vine of which traces had been lost for decades. It is located in the municipality of Aymavilles, at an altitude of 640 m. Once harvested, the grapes are pressed and left to macerate on the skins for 10-12 days. Following racking, the wines were aged for 8 months in used barriques and then bottled. Ruby red color with violet reflections. Balanced taste with hints of currants and spices, velvety.

Torrette Superiore, Didier Gerbelle

€ 32.00

The vine is made up of 70% Petit Rouge, Cornalin, Fumin and Premetta 30% and is located in the municipality of Aymavilles, at an altitude of 640 m. Once harvested, the grapes are pressed and left to macerate for 12-15 days in steel containers where the fermentation will take place. Following racking, the wines were aged for 12 months in French oak barrels. Ruby red in colour, with hints of red fruit, rose and violets. Enveloping, balanced and floral taste.

Gamay, Lo Triolet

€ 30.00

The vine is 100% Gamay, a vine of French origin, which in Valle d'Aosta has found particularly suitable soil for its maturation and is located in the municipality of Introd at 880 m. The grapes are pressed, left to ferment and macerate for 7-10 days. The wine is then aged for 7 months in steel barrels. Ruby red color with violet reflections, dry and fresh taste with hints of red fruits, especially cassis and cherry.

COVER CHARGE: € 2,00

Nus, Lo Triolet

€ 30.00

The grape variety is Vien de Nus, Petit Rouge and Cornalin. The vineyard is located in the municipality of Introd at 880 m. The grapes are harvested, pressed and left to macerate for 7 days, then the wine is left to refine in steel barrels for 8 months. Ruby red in colour, with fruity and floral scents and a dry and fresh taste.

Pinot Noir, Lo Triolet

€ 34.00

The 100% Pinot Noir vine located in Introd at a height of approximately 800 m. The pressing of the grapes takes place as soon as they are harvested, with a duration of maceration of 7-10 days with daily pumping over. The refinement develops for 10 months, 70% in steel and 30% in barriques. With a ruby red colour, fruity, persistent and floral on the nose and with a dry and fresh taste with a light aftertaste of almonds.

Fumin, Lo Triolet

€ 45.00

Dry red wine from the Aosta Valley, made from native Fumin grapes. It features a deep ruby-red color with violet highlights. On the nose, it offers a persistent and spicy aroma, with notes of wild berries and red fruits. On the palate, it is dry, warm, and smooth, with elegant and velvety tannins. This wine is ideal for pairing with game dishes, red meats, and traditional Valdostan cuisine.

Whites

Jeux De Cepages , Didier Gerbelle

€ 28.00

The vine is a blend of Sauvignon, Prié Blanc, Viognier, Gewürtzraminer and it forms the vineyard located in the Introd area at an altitude of about 830 m. The refinement is carried out in steel barrels, it is fresh and balanced on the palate, with hints of apple and flowers.

Pinot Gris, Lo Triolet

€ 30.00

The 100% Pinot Gris vine forms the vineyards located in Introd at an altitude of 830 m. Crushing of the grapes takes place as soon as they are harvested and following a short maceration the pressing takes place. Fermentation develops at an always controlled and constant temperature. The refinement is done for 8 months in steel. With a straw yellow color, fine, persistent and floral to the nose, with hints of mountain herbs, with a dry, fresh and persistent taste.

Petit Arvine, Lo Triolet

€ 30.00

The 100% Petite Arvine vine located in the Introd vineyards at about 800m. The vinification process involves the pressing of the freshly harvested grapes, a subsequent pressing of the grapes following a short maceration and a controlled and constant temperature fermentation. The refinement takes place for 8 months in steel barrels. With a straw yellow color, fine, persistent, floral to the nose and with a dry, fresh and savory taste.

Rose' & Sparkling Wines

Beato Emerico Rosé., Quinson

€ 25.00

The vineyard is located in Quart, at a height of about 650 m and the vine is composed of Petit Rouge and Cornalin. From 8 to 10 hours of pressing are foreseen, at the end of which it is vinified in white with the bleeding technique which involves taking part of the must from the mass of grapes, before it begins to ferment. Refine in steel for about 6 months. Wine with an excellent gustatory and balanced balance.

Prosecco di Valdobbiadene Superiore D.O.C.G., Santi

€ 25.00

Produced in San Pietro In Felleto (TV), in a vineyard made up of Glera type vine. Produced with the "Charmat" method, which is used for sweet wines, it is based on the fermentation of generally aromatic grape must, interrupting the fermentation by means of sterilizing filtration and thus obtaining a naturally sweet sparkling wine and a low alcohol volume. With hints of fruit such as pear, apple, white peach, citrus and acacia flower. In the mouth, freshness and softness stand out.

Fripon, Cave du Mont Blanc

€ 28.00

It is a classic Extra Dry method obtained with 100% Prié Blanc grapes. The base wine undergoes the first fermentation in stainless steel. The traditional refermentation in the bottle then takes place. Dégorgement happens no earlier than 15 months. Soft, broad and fruity, this wine has a straw yellow color with light copper reflections, fine and intense perlage. On the nose it is immediately of good intensity, sweet and fragrant with white floral scents first, then sage, thyme and lavender. The fruity tones are delicate and fine in hints of peach, orange and pink grapefruit. In the center of the tasting, the acidity relating to the vinification of Petit Rouge in white takes over, albeit delicately, proposing a clear sensation of citrus in the finish.

Blanc de Morgex et de La Salle, Cave du Mont Blanc

€ 38.00

Classic Method Brut Sparkling Wine made from 100% Prié Blanc grapes, hand-harvested at a high altitude near Mont Blanc. The wine has a bright straw-yellow color with greenish reflections and a fine, persistent perlage. On the nose, it offers fruity notes (apple, medlar), white flowers, citrus, and a distinctive minerality. On the palate, it is fresh, energetic, and persistent, with a balanced finish that evokes citron and flint.
